Re: Dr._____ Membership No:_____

Dear Sir/Madam,

I am to travel to Lourdes as a volunteer carer with The Irish Pilgrimage Trust. We will depart on Easter Sunday 5th April returning Saturday 11th April 2015.

This pilgrimage is for young people disadvantaged by illness, learning or physical disability or emotional deprivation. The young people are accompanied by an equal number of adult volunteer carers. During the week I may be required to attend any of the pilgrims attached to the Irish Pilgrimage.

I assume that I have medical indemnity insurance – please contact me if this is not the case.

Yours sincerely,
